UNIQUE APPROACH TO GOLF LESSONS FROM A CPGA TEACHING PROFESSIONAL

Introducing a Complete Online Course in the Basics of Golf

Campbellton, New Brunswick: “www.TeachingGolfOnline.com” is offering new way to learn the basics of golf through lessons delivered online in a disciplined, user friendly teaching sequence.

Claude LeBlanc a 20 year teaching professional and author of the best selling French language “**Leçons de Golf**” has taught thousands of golfers the basics of the game. He has now used this knowledge and experience to create a series of golf lessons that instruct you on the key aspects of the game. In a unique teaching approach these lessons are delivered on a schedule that helps you to stay interested and on track as the course builds your understanding and ability with the basics.

The aim of “**Teaching Golf Online**” is to offer top qualify golf instructions to beginner, intermediate and advanced players with educational drills and exercises that deliver results in a fast and easy to understand manner. With a click of your mouse, you will find drills and exercises that will help improve specific skills. In short, a learning facility with the answers to many of your problems.

PLAYING TO YOUR POTENTIAL

Whether you are competing, or just playing golf for fun, satisfaction comes from playing to your potential. **Teachinggolfonline.com** provides the knowledge, educational drills and exercises to practice and improve your golf skills using proven visualization methods. You will play better and enjoy the game a lot more.

Becoming a member is very easy. Log on to **www.teachinggolfonline.com** and sign up. You will receive an e-mail with your username and password. Every two days a fresh lesson arrives in your e-mail with Audio and Video to accentuate the very clear instructions. Your new lesson will include approximately 10 to 15 minutes of information and educational drills to practice. All lessons can be heard as well as read. You have the option of listening to the lesson while focusing on the images.

Unlike a book where you start and then set the book aside, **Teaching Golf Online.com** will offer continuous follow-up to help you remember and encourage you to take your lessons. We help you to learn and practice step by step. All 32 lessons in ten key categories have been developed by Qualified Teaching Golf Professionals.
